III. New Business

- Life Touch –follow up -We received various quotes from different photography providers. Ultimately, we want to provide parents a good quality package at a feasible price. Feedback from parents is that they looking for packages averaging \$15.00. We will speak to Gerlinde to negotiate better pricing with them.
- Car Line – There has been some concern with back ups in the carline. Long car lines in the morning are primarily from an influx of parents arriving at 7:55. Teachers and parents are doing their best to help move the line. Administration will continue to look at arrival patterns to alleviate long car lines.
- Junior Achievement – We are looking into the Junior Achievement World program (JA BizTown). Junior Achievement is a nonprofit organization providing a series of business, economic and life skills programs to enhance education. JA Biz Town offers hands on programs to help students discover and apply entrepreneurship, work readiness and financial concepts and skills. A team from St. Bonaventure will be touring JA Biz Town to gather more information about the program. You can visit the website at www.jasouthflorida.org.
- Middle School Electives: Middle school electives are not offered during school time. Electives/activities take place afterschool.
